

# Enabling Our Mission Campaign Update

Thank you to those of you who have already made your decision, returned your pledge form and supported this extremely important endeavour. Here at Our Lady of the Rosary, St. Mary's, Boston our aim is to raise £150,000 in pledges to fund:

- ❖ Becoming more Missionary – equipping our priests and laity with the tools needed to lead a move to mission
- ❖ Supporting our Clergy – so that they can focus more on their pastoral and spiritual duties
- ❖ Strengthening our Parishes – our parish which will retain £60,000 of the monies raised once we reach our goal, which will go toward contributing towards essential restoration and redecoration of St. Mary's Church.

Already we have witnessed remarkable generosity from our parishioners and have secured almost £55,000 in pledges from 10 families, approximately 7% of our congregation. We ask you to remember your parish and our clergy when considering causes for support.

## Please Consider Your Support

We are blessed to have a Diocese filled with caring, active, and committed parishioners. If you have not yet made your decision, we kindly ask you to consider three things:

1. Read the information booklet. If you have not received one, please pick one up from the back of the church today
2. Accept a call from one of the team. We want to ensure everyone has an opportunity to ask questions where necessary
3. Consider making a contribution at a level that is right for you and your family

Your decision today can help ensure our parish can become more missionary and thrive, while providing our clergy with adequate support for years to come. By completing the form overleaf, your contribution will make a difference! Note your payments can start at any time, this pledge simply acts as a promise. Please tick the Gift Aid box if applicable to you so we can benefit from the additional 25%.

**Your participation matters – every gift counts, no matter how big or small!**
